Online manual View Fullscreen 2008 dodge charger Owner's Manual Download Posted on July 3, 2019Author Categories DODGE The Manual Directory is a free online resource that stores PDF owner manual's for cars. Our community of helpers source car manual's and we index them into manufacturers/models so you can easily browse and find the one you need. Owner's manuals contain all of the instructions you need to operate the car you own, covering aspects such as driving, safety, maintenance and infotainment. Depending on where you are in the world you may hear them also referred to as a user manual, a handbook, an operator's manual or a user guide. If you have a hard-to-find owner's manual then submit it for others to find here. This site is part of the GimmeManuals.com community-driven group of websites. At GimmeManuals we collect popular and hard to find owner's manuals and then archive them in an easy-to-search way. Posted on 31 Oct, 2014 by Inimrepus Model: 2008 Dodge Charger File size: 6 MB Other 2008 Dodge Charger Manuals:2008 Dodge Charger - Owner's manual (SRT) Page 2 Posted on 31 Oct, 2014 by Inimrepus Model: 2008 Dodge Charger Pages: 466 File size: 6 MB The Dodge Charger has been used across several ranges of cars but what most people think of when they hear the name is the muscle car. This car started life in 1966 as a fastback design that didn't prove popular, the exterior styling was lacking in excitement to warrant the cost. 2 years later the second generation was released and the styling of the Charger was improved enough to make it a forever classic. During this second generation, the platform was used to create the Dodge Charger Daytona, an aerodynamic muscle car legend. The start of the 1970s saw the release of the third generation that upgraded the safety of the model and offered new trims to attract a wider range of buyers. When the Fourth generation hit showrooms in the mid-1970s the car had seemed to morph into a luxury car rather than keeping its muscle heritage. Another strange move for the Charger came in the 1980s when the car was again moved into a new classification, becoming a subcompact coupe economy car. The performance was high for this pocket rocket thanks to its shrinking size and turbocharged engine. The Dodge Charger was put to sleep at the end of the 1980s before being revived in the mid-2000s just before the great recession that shook up the auto manufacturing world. Then the newly revived Charger brand saw smaller engines and less aggressive styling as it saw in its heyday in the 1960/1970 period. Performance versions were available of the car for those wanting it but most models were economy-focused. However, each model comes with its own set of options that can be changed to suit your preferences or needs. If you're interested in buying a new or used Dodge charger but don't know much about them yet, these owner's manual PDFs will answer any questions you may have. Underneath the new Charger is a chassis that it shares with the Challenger and the 300 models by the same American auto manufacturer. When the 7th generation hit the showroom in 2011 it seemed as though Dodge were trying to take the range back to its performance heritage. For this new generation, you could buy the car with a variety of different trims including: Daytona GT R/T R/T Scat Pack Rallye Scat Pack SE Shelby SRT SRT Hellcat SRT8 SRT8 Super Bee SXT SXT Plus This car was once again a sporty muscle car with powerful engines as standard and racing features like all-wheel-drive and improved aerodynamics pulling in new and old fans. Manufacturer: DODGE, Model Year: 2008, Model line: CHARGER, Model: DODGE CHARGER 2008 6.G Pages: 466, PDF Size: 6.37 MB DODGE CHARGER 2008 6.G Owners Manual CHARGER 2008 6.G DODGE DODGE DODGE CHARGER 2008 6.G Owners Manual TABLE OF CONTENTSSECTIONPAGE 1INTRODUCTION..... 3 2THINGS TO KNOW BEFORE STARTING YOUR VEHICLE..... 9 3UNDERSTANDING THE FEATURES OF YOUR VEHICLE..... 79 4UNDERSTANDING YOUR INSTRUMENT PANEL..... 157 5STARTING AND OPERATING..... 251 6WHAT TO DO IN EMERGENCIES..... 343 7MAINTAINING YOUR VEHICLE..... 363 8MAINTENANCE SCHEDULES..... 425 9IF YOU NEED CONSUMER ASSISTANCE..... 433 10INDEX..... 443 1 2 3 4 5 6 7 8 9 10 Page 2 of 466 Page 3 of 466INTRODUCTION CONTENTS mIntroduction..... 4 mHow To Use This Manual..... 4 mWarnings And Cautions..... 6mVehicle Identification Number..... 6 mVehicle Modifications / Alterations..... 7 1 Page 4 of 466INTRODUCTION This manual has been prepared with the assistance of service and engineering specialists to acquaint you with the operation and maintenance of your new vehicle. It is supplemented by a Warranty Information Booklet and various customer oriented documents. You are urged to read these publications carefully. Following the instructions and recommendations in this manual will help assure safe and enjoyable operation of your vehicle. NOTE: After you read the manual, it should be stored in the vehicle for convenient reference and remain with the vehicle when sold, so that the new owner will be aware of all safety warnings.When it comes to service, remember that your dealer knows your vehicle best, has the factory-trained technicians and genuine Mopartparts, and is interested in your satisfaction. HOW TO USE THIS MANUAL Consult the table of contents to determine which section contains the information you desire. The detailed index, at the rear of this manual, contains a complete listing of all subjects. Consult the following table for a description of the symbols that may be used on your vehicle or throughout this owner manual: 4 INTRODUCTION Page 5 of 466 Page 6 of 466WARNINGS AND CAUTIONS This manual containsWARNINGsagainst operating procedures, which could result in an accident or bodily injury. It also containsCAUTIONsagainst procedures, which could result in damage to your vehicle. If you do not read this entire manual, you may miss important information. Observe all Warnings and Cautions.
